🌐 HOW TO ENSURE YOUR INTERNET CONNECTION

Make sure that you have a sufficient internet connection to stream content on DAZN.

Speed Requirements

- **HD streaming**: minimum **5 Mbps** download.

- **Full HD or multi-stream**: **10–15 Mbps**.

Check Your Speed

1. On any device, open browser and go to **speedtest.net**.

2. Click **Go**.

3. Compare the displayed **download speed** with the requirements listed above. If this is insufficient, you may need to upgrade your Wi-Fi setup or subscription. Contact your provider for assistance.

Wired vs Wireless

- **Wi-Fi**: Convenient but subject to distance and obstacles.

- **Ethernet (LAN)**: Plug a cable from router to your TV or streaming box for the most stable connection.

Improve Your Connection

1. Move your router closer or remove obstructions.

2. Switch from Wi-Fi to Ethernet.

3. Restart your router and device.

4. Consider a Wi-Fi mesh system or booster.
